A University of Kerala Gold Medallist and First Rank Holder in both LLB (1995-2000) and LLM (2001-2003), Advocate Parvathy has been associated with Puthran & Associates, Intellectual Property Attorneys since June 2006 and heads the Bangalore and Kerala operations of the Law Firm.

Specialized in Trademarks, Patents, Industrial Designs and Copyright Laws, Parvathy's day to day activities in the Firm involves assisting corporate clients in securing domestic and international trademark, patent, design rights and management of their worldwide Intellectual Property portfolio. She regularly advises clients on Trademark clearance searches, Patent searches, acquisition, sale and licensing of Intellectual Property, Intellectual Property Due Diligence, disputes involving Intellectual Property Rights and Domain name misuse. She is also an experienced Attorney in drafting and reviewing transactions and contracts involving transfer of Intellectual Property and Intellectual Property licensing.

**PUTHRAN & ASSOCIATES – BRIEF PROFILE**

P&A is one of the leading Intellectual Property Law Firms in India with operations in Chennai, Bangalore, Kochi & Trivandrum. P&A has been working with and filing patents for various Research Institutions, Universities including Indian and foreign Research Institutions and Government of India enterprises. The firm also handles the Intellectual Property Portfolio of several multinational companies in India and across the world in various sectors of the industry, including Fortune 500 companies.

The Firm is also actively involved in sharing knowledge, experience and creating mass awareness on various aspects of IPR through seminars and class room sessions in Universities, Academic and Research institutions and various Industry Forums. The firm considers it its mission to create awareness and interest on Intellectual Property and to educate students, engineers, researchers and public in general about the value of IPR and its protection, as well as benefits to the economy.
